## NEWS RELEASE

### FIRST TRAMPOLINE LASER MAZE ON WEST COAST TO OPEN AT BIG AIR TRAMPOLINE PARK IN LAGUNA HILLS

OC's premier birthday party destination set to open trampoline laser maze on September 22nd!

**Laguna Hills, CA (September 11th, 2017)** — Big Air Trampoline Park® in Laguna Hills, voted *parentingOC Magazine's* Best Birthday Place two years in a row, is excited to announce its new attraction, *The Laser Maze at Big Air*. It will be the first trampoline laser maze on the West Coast and will add to Big Air's exciting mix of attractions, including *Battlebeam®* and *The Wall*.

"Big Air prides itself on consistent innovation and staying ahead of industry trends," says Kevin Odekirk, President of Big Air. "This west-coast-first trampoline laser maze is a great example of that. We're thrilled!"

*The Lazer Maze* will feature multiple game plays and difficulty levels, providing guests of all ages with an exciting and challenging experience. In the *Lazer Maze Challenge* gameplay, players are challenged with bouncing their way across a dark room filled with a dense field of lasers, without breaking any laser beams. Making the attraction even more challenging, this will be the first laser maze on the West Coast to incorporate trampolines. Younger guests will enjoy *Beam Buster*, a gameplay that encourages participants to break as many beams as possible in just 30 seconds. A leaderboard showcases all-time high scores, and all the excitement can be viewed while waiting in line as digital monitors display a live feed of the action.

"Since our company was founded, we've always looked for exciting and innovative ways to serve our guests," says Greg Briggs, Big Air Founder and former VP of Wild Rivers Waterpark in Irvine. "Part of this is our ongoing commitment to enhancing our attraction lineup, and this new experience does just that."

*The Lazer Maze* is included with park admission and will open to the public on September 22nd, 2017. The attraction's opening weekend will include raffles, a social media contest, and more. A special preview event for active Big Air members will take place on September 21st from 1-9 p.m.
